

# K41 360

## INTELLIGENT AREA FLOODLIGHT SYSTEM

A high-performance, multi-functional 360° LED lighting system, built for demanding environments.

Up to 92,000 Equivalent Lumens Light Output

[www.riteliteportablelighting.co.uk](http://www.riteliteportablelighting.co.uk)

# Key Features

Automated light output control for maximised power efficiencies and energy savings

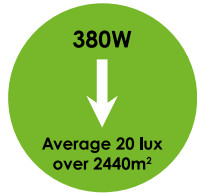

IK10 impact rated and built for tough environments. Corrosion resistant aluminium and stainless-steel construction

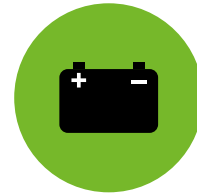

180 – 360 degree flexible setup for maximum flexibility and applications

Beam Control precision light direction to focus all the light where it is needed with minimised light pollution

Large area light coverage from only 380W power requirement

Silent, emission-free, zero carbon lighting solution when powered by a RITE-POWER battery powered generator

## RUGGED CONSTRUCTION

Polyethylene impact resistance handle

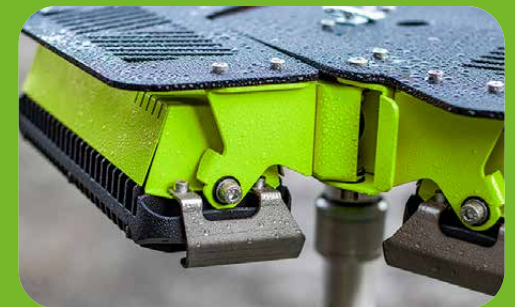

Robust aluminium case

Stackable and compact for transport and storage

Folding suspension eye for 360° deployment

IP65 water resistant

# K41 Area Lighting System Models

There are three standard K41 models to meet every application and budget. Additional optional features are available for all models outlined below with other bespoke specifications also available.

## K41-S1

180-360° configurable light system. Simple on / off control of the light with the light level able to be set to meet requirements via an integrated digital dimmer system from 0 -100% brightness. 5m down lead fitted. 110V or 240V input available.

## K41-S2

As S1 model but with the additional functionality of a light head mounted Dusk To Dawn (D2D) switch and a link box at the power input to enable multiple lights to be linked or daisy chained together to run from one power source.

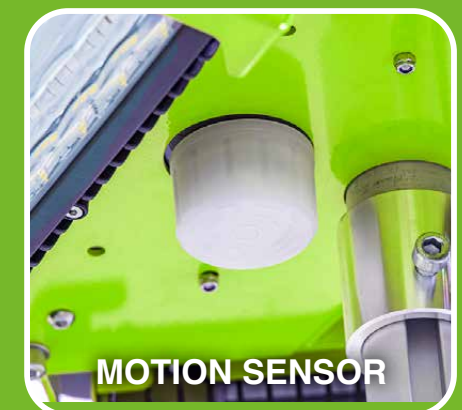

## K41-S3

The K41-S3 model has all the functionality of the S1 & S2 models plus a ground level control box and the addition of a microwave occupancy sensor enabling the light to automatically turn on to a pre-set light level when people or vehicles approach maximising energy savings on site and duration of battery power sources.

# Accessories

**K41-FIL**  
Find me indication light

**K41-FSE**  
Folding suspension eyelet

**K41-DS**  
Optional slide in diffuser ensures unwanted direct light is softened as required

**K41-DIP**  
Detachable in-line pendant connector system

**K41-PLB**  
Pendant lockout box. Tamper proof lock out box.

**K41-S/BAG**  
Padded carry case with front pocket and carry strap

# Tripod Options

## 4.0M LIGHTWEIGHT TRIPOD

- Lightweight aluminum construction
- 2 section tripod
- Fitted with DIN connector
- Combined winch and manual raise mast
- Air cushioned mast with controlled descent
- Independently adjustable legs
- Adjustable feet - rubber pad or metal spike
- Optional ballast bags for increased stability

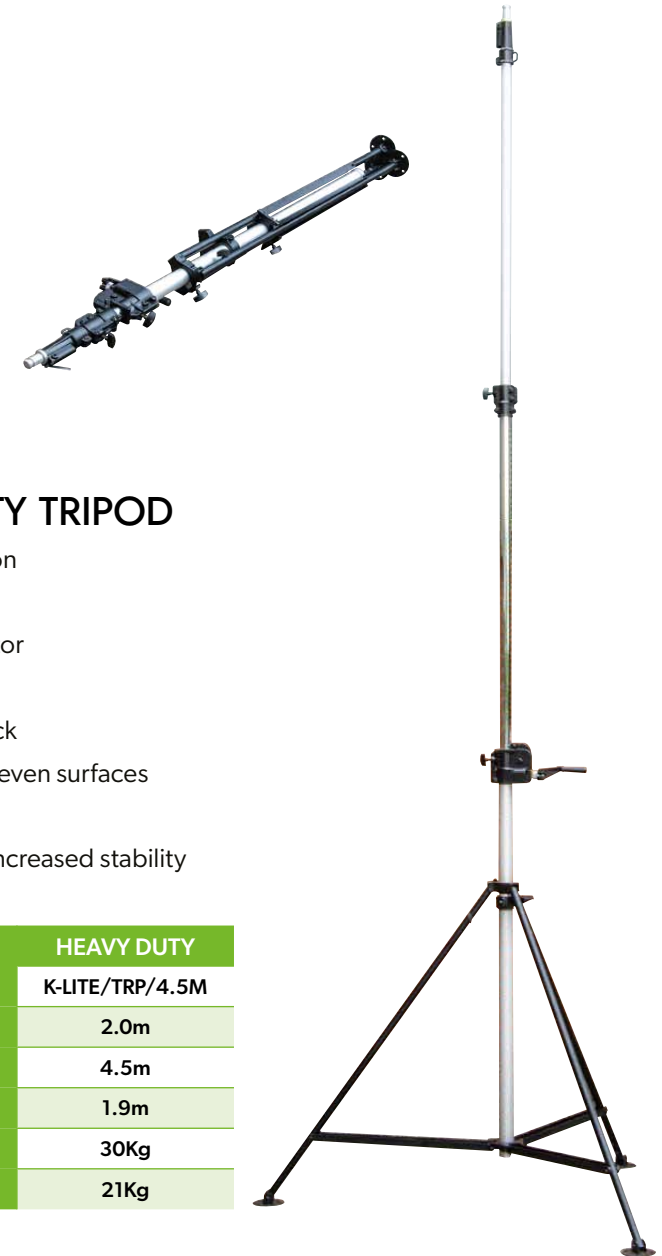

TRIPOD	LIGHTWEIGHT
PRODUCT CODE	SLK45-LITE/TRP/4M
CLOSED LENGTH	1.32m
MAXIMUM HEIGHT	4.0m
EXTENDED LEG DIAMETER	2.1m
LOAD CAPACITY	14Kg
TRIPOD WEIGHT	9Kg

## 4.5M HEAVY DUTY TRIPOD

- Robust steel construction
- 3 section tripod
- Fitted with DIN connector
- Heavy duty winch
- Anti-drop safety interlock
- 1 x adjustable leg for uneven surfaces
- Leg pad diameter 12cm
- Peggable leg pads for increased stability

TRIPOD	HEAVY DUTY
PRODUCT CODE	K-LITE/TRP/4.5M
CLOSED LENGTH	2.0m
MAXIMUM HEIGHT	4.5m
EXTENDED LEG DIAMETER	1.9m
LOAD CAPACITY	30Kg
TRIPOD WEIGHT	21Kg

# RITE-POWER

## PORTABLE BATTERY POWERED GENERATORS

Ritelite's range of Industrial Portable Battery Powered Generators provides reliable, efficient portable power whenever and wherever it is needed, outside and inside. Designed to run both Ritelite's lighting range and other equipment the battery powered generators are waterproof, compact and easy to use. Available in 110V and 230V options in a variety of sizes.

### RITE-POWER 1750

- **K41 duration 4 hours\***
- 1750 watt hour battery capacity
- 750W continuous power
- Lithium-Ion battery
- Multi-function display to view status
- Power up to 2 K41 units at once
- 3 charger options
- Dimensions: 57 x 36 x 24cm
- Weight: 22Kg one person lift
- In-built handles and wheels

### RITE-POWER 1750x2

- **K41 duration 8 hours\***
- 3500 watt hour battery capacity
- 750W continuous power
- Lithium-Ion battery
- Multi-function display to view status
- Power up to 2 K41 units at once
- 3 charger options
- Dimensions: 58 x 40 x 30cm
- Weight: 36Kg multiple person lift
- In-built handles and wheels

### RITE-POWER 3850

- **K41 duration 9 hours\***
- 3850 watt hour battery capacity
- 2500W continuous power
- Lithium Iron Phosphate battery
- Multi-function display to view status
- Power up to 6 K41 units at once
- 3 charger options
- Dimensions: 72 x 37 x 47cm
- Weight: 52Kg multiple person lift
- Optional trolley for transport

\* 1 generator powering 1 x K41. Duration may depend on operating conditions.

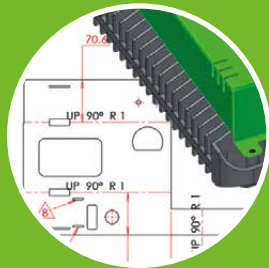

Ritelite (Systems) Limited are a global, market-leading manufacturer, of innovative, professional and industrial mobile and portable area lighting and power systems and class leaders in illumination, performance and power efficiency.

For over 35 years, our journey to success has been driven by the design and manufacture of high-performance, high-efficiency lighting and power solutions. At Ritelite, we thrive on flexibility, embracing unconventional thinking and leveraging state-of-the-art technologies to collaborate closely with our customers. This partnership approach allows us to continually evolve our product range to meet the ever-evolving demands of our valued customers and markets.

When you invest in a Ritelite lighting product you are embracing our design philosophy - to provide the highest level of "usable light" to the widest range of work task situations. Our products are engineered to be efficient, flexible, versatile, robust, and highly reliable ensuring they stand the test of time. All Ritelite lighting solutions feature our unique beam-controlled lighting design giving maximum useful light for any application with minimised glare and light pollution. Our product range is also eco-conscious, offering zero emission, silent-running power solutions either through in-built highly efficient lithium batteries or via our innovative RITE-POWER portable battery-powered generators.

**BESPOKE CUSTOMER SOLUTIONS**

**IN-HOUSE DESIGN AND DEVELOPMENT**

**BRITISH MANUFACTURERS FOR OVER 35 YEARS**

**EXPERTS IN LED TECHNOLOGY & POWER EFFICIENCY**

**HIGH QUALITY PRODUCTS & PROCESSES, ISO 9001 & 14001:2015 ACCREDITED**
