

MEDI COBRA 6

ø6mm fibreglass rod

200m length

Ritelite's Medi Cobra conduit duct rodding systems provide a robust, compact, labour saving solution when installing cables in ducts, threading draw ropes through pipes or surveying drains with CCTV cameras. The 'Quick Trace' model includes copper wires embedded in the rod which allows the rod to be fully traceable once a signal generator is connected for additional functionality.

Our high quality, fibreglass rod has a radially reinforced construction, is PP coated and spooled onto robust zinc plated steel frames fitted with an in-built parking brake. Total overall dimensions W 800mm x H 915mm x D 295mm.
